This presentation may contain information which is proprietary, confidential and/or legally privileged and has been prepared by Spring Asset Management Limited, in its capacity as the manager (the "Manager") of Spring Real Estate Investment Trust (the "Trust"). This presentation is being communicated for information purposes only and its intended recipients are professional investors in Hong Kong (as defined by Part 1 of Schedule 1 to the Securities and Futures Ordinance(Cap.571)) and professional investors outside of Hong Kong to whom it is lawful to communicate the presentation. Any other persons should not rely or act upon this presentation or any of its contents.

The information contained in this document, including any obtained from external data sources, has not been verified. The information and opinions in this presentation are subject to change without notice and the Manager is under no obligation to update or keep current the information contained in this presentation. No representation or warranty, express or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained herein. It is not the intention to provide, and you may not rely on this document as providing, a complete or comprehensive analysis of the Trust's financial or operational position. Furthermore, this presentation should not be construed as legal, tax, investment, or other advice. None of the REIT Manager, the Trust, nor any of their respective affiliates, advisors or representatives shall be held liable for any damages, losses or expenses of any kind, whether direct, indirect, special, consequential or incidental, arising out of or in connection with the presentation. In this regard, all warranties or representations of any kind, whether expressed or implied by law, equity or statutes, are excluded to the extent permissible under the applicable law. All liabilities whatsoever arising from or incidental to the document are hereby expressly disclaimed.

Certain information and statements made in this presentation contain forward-looking statements. All forward-looking statements are based on current expectation of future events and are subject to a number of factors that could cause actual results to differ materially from those described in the forward-looking statements. Caution should be taken with respect to such statements and you should not place undue reliance on any such forward-looking statements.

This document does not constitute a prospectus, notice, circular, brochure or advertisement offering to sell or inviting offers to acquire, purchase or subscription for any units ("Units") or other securities of the Trust. The value of Units and the income from them, if any, may fall as well as rise from time to time. Units are not obligations of, deposits in, or guaranteed by the Manager, the Trust, nor any of their respective affiliates, advisors or representatives. An investment in Units or other securities of the Trust is subject to investment risks, including the possible loss of the principal amount invested. It is intended that holders of Units may only deal in their Units through trading on the Stock Exchange of Hong Kong and investors have no right to request the Manager to redeem their Units. Listing status does not guarantee a liquid market for the Units. All copyright, patent, intellectual and other property rights in information contained herein is owned by the Manager or other third parties. No rights of any kind are licensed or assigned or shall otherwise pass to persons accessing such information. Without the expressed written permission of the Manager under no circumstances should information contained herein or any part of it be quoted, reproduced, redistributed or transmitted in any form, by any means, electronic or otherwise.

Tight Supply-demand Conditions to Continue Till 2018

All of Beijing: Supply Normalized

- 2010-1H 2015 average new supply: 363k sqm
- 2015 2H-2018 average new supply: 363k sqm
 5.4% of current stock of 6.71 mn sqm

CBD: New Supply Visible in 2018

• 2H 2015-2018 average new supply: 121k sqm = 6.6% of current stock of 1.83 mn sqm

Grade-A office supply by year

Note: All of the above data are based on JLL Research in June 2015.

- 1 Key Messages
- 2 Results Highlights
- 3 Refinancing
- 4 Investment Highlights
- 5 Market Outlook
- 6 Strategies

Strategy

SpringREIT

1. Asset Management Strategy

- Maintain high occupancy rates
- Optimize tenant mix
- Control property expenses

2. Capital Management Strategy

- Prudent financial and capital management policy
- Reduce finance costs & optimize debt maturity profile

3. Acquisition Strategy

- Seek value-enhancing acquisition opportunities
- Focus in Asia (including Greater China, Japan and ASEAN)
- High quality income-producing commercial properties
- Opportunities to enhance returns of the target property

4. Investor Relations Strategy

- Enhance communication with investors & analysts
- Timely updates to the market, incl. operating stats
- Efforts to widen and strengthen unitholder base

Value Creation for Unitholders

Build track records

Build track records and enhance returns to unitholders

- Achieved total return of 21.8% since December 2013⁽¹⁾
- Total return outperforming Hang Seng Index⁽¹⁾

Deliver stable distribution

Simple cost structure maximizes distribution

- Committed to stable distribution. Div payout of 96% in 1H2015, thereafter at least 90%
- Most property expenses are revenue-related or fixed amounts

Solid operating results

Diligent asset management, results delivered

- 1H2015 revenue +2.6% yoy. Net property income +3.4% yoy
- Average passing rent +3.2% yoy. Average occupancy at 95%.

Favorable market dynamics

Tight market supply, steady demand

- Low vacancy for Grade-A offices in Beijing,
- Limited future supply. Demand supported by urbanization & structural growth in service sectors

Thank You!
